# IMAGINATION & CREATION WITH Sewist 625E

**BUILT-IN NEEDLE THREADER**  
Makes needle threading a cinch and there's no more strain on your eyes.

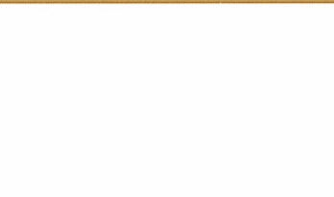

**AUTOMATIC ONE-STEP  
BUTTONHOLE**  
Merely set a button on the automatic buttonhole foot. The foot then sets the necessary length, and the perfect buttonhole is automatically made in one step.

**MAGNETIC TYPE HORIZONTAL  
FULL ROTARY HOOK**  
Jam-proof, magnetic, top-loading full rotary hook system that eliminates the bobbin case for convenient bobbin insertion, removal and cleaning. Thread is visible below the see-through hook cover plate.

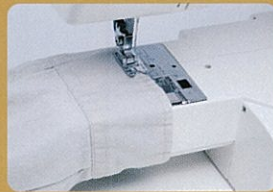

**SPEED CONTROL SLIDER**  
You can set the sewing speed variably ranging from ultra low to high speed. It is easier to sew around corners and curves especially on thicker fabrics.

## 1-Step

**24 Stitch  
Choices**

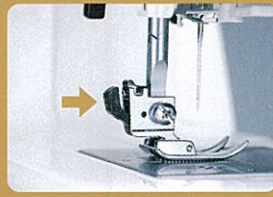

**CONVERTIBLE FREE ARM  
FOR CIRCULAR SEWING**  
The detachable sewing table easily slides out of the way to reveal the free arm --- so handy for sleeves, cuffs and hard-to-reach areas.

**CONVENIENT ONE-HAND  
THREAD CUTTER**  
Since threads are cut neatly, you can easily start sewing again, without the trouble of tangled threads or an unthreaded needle.

**ACCESSORY STORAGE**  
Sewing accessories are conveniently stored underneath the machine.

**QUICK FOOT CONVERSION**  
Just press the lever to remove the foot. To attach, lower the lifter to snap it into place.

**FOOT PRESSURE  
ADJUSTMENT**  
By setting the foot pressure, you can sew any thickness or type of fabric, fine to thick, without puckering.

**DROP FEED DOG**  
For attaching buttons, free-motion quilting, darning, etc., simply slide the lever to drop the feed dog.
